

**Registration Form for
Vibration Institute Re-Certification**

Name _____

Certification Number _____

Highest Level of Certification

Vibration Analyst: Category I _____

Vibration Analyst: Category II _____

Vibration Analyst: Category III _____

Vibration Analyst: Category IV _____

Company _____

Address _____

City/State/Zip _____

Telephone _____ Fax _____

E-mail _____

C. Presentations and Publications	Points
2 points, documented vibration-related technical presentation**	_____
3 points, published vibration-related article** in a recognized technical publication available for public distribution	_____

Titles of Article/Dates of Publication~

Total Points _____

Total Points for **Technical** Activities _____

Point Total Summary
(30 points required over 5 years)

Experience _____

Technical Activities _____

(Total Points) _____

* attending or teaching (credit only one time for a given course)
**must be original
~ if space does not permit complete documentation, append page to this application

1. EXPERIENCE

(five points minimum)

Percent of time in vibration-related* work per year:

0%	0 points
25%	1 point
50%	2 points
>50%	4 points

Year	Points
_____	_____
_____	_____
_____	_____
_____	_____

Total Points for **Experience** _____

Confirmed by: _____
(name of supervisor)

(title)

(date)

Employer/Client-Related Experience
(circle items that apply — for information only)

- | | |
|----------------------|---------------------|
| data collection | acceptance testing |
| vibration analysis | program setup |
| vibration monitoring | program supervision |
| condition evaluation | engineering |
| diagnostic testing | other |

*This includes alignment; mechanical and electrical machine work; thermography; and oil analysis

2. VIBRATION-RELATED TECHNICAL ACTIVITIES

A. Documented Training*

Points

0.1 point per contact hour	_____
3.2 points, four day course	_____
4.0 points, five day course	_____

Title of courses/dates/locations~

Total Points _____

B. Meeting Attendance

Points

0.1 point per hour (chapter)	_____
3 points (V.I. Annual Meeting, CMVA, MFPT, or ASME)	_____
0.5 point per day, other vibration-related conferences/meetings	_____

Meetings Attended/Dates~

Total Points _____
